The Institution has a perspective plan for its infrastructural and academic growth. The Institution has 770 students and the present infrastructure is inadequate for the present strength. We desire

to provide qualitative higher education which will provide employment to students. Hence the graduates who are passing from this Institution should be enabled with high potential and will be able to face the global competition. In future, the Institution desires to begin vocational courses introduced by UGC from time to time. It will help students to earn while they are learning. In future we also intend to begin new courses which will be more useful to students. The perspective Institutional plan is developed following the procedure of involving the cooperation of teachers, students and members of the Managing Committee. In order to formulate the strategy of development and deployment, the committees are constituted for each and every developmental work. Teachers have to participate in all the Institutional plans and wherever the situation demands, students and members of Management Committee are involved. The meeting of students is summoned to take their participation by means of
